(Location) (Date)

To: Brother/Sister \_\_\_\_\_;

The existence of our Home Lodge is largely dependent upon the prompt and regular payment of each member's annual dues. Our Lodge cannot meet its operating and overhead expenses, or meet its charitable obligations without each member keeping his dues status current.

Clause number eighty-eight of the Constitution of Odd Fellow Lodges provides that dues shall be payable annually in advance on the first day of October of each year. We are sending you this notice, just to remind you of the amount due and payable by you as shown below. We would sincerely appreciate your support by giving your attention to this statement as soon as possible. In order to protect your rights and privileges within our Order and to insure your continued good standing as a valued member of our Lodge, please remit the amount shown below within 30 days of your receipt of this notice.

**Yours in Friendship, Love and Truth,**
